This year the Boonah District Chamber of Commerce Inc. (BDCC) has recognised that, because our region is in drought with the follow-on effect on the wider businesses, we have reduced the sponsor contribution down to \$100. The Festival is the thank you to the community from the businesses for their support throughout the year. The BDCC is continuing a method of recognising the sponsors, previously with a booklet, but this year with an innovative Business Directory that will have an ongoing useable life. The Business Directory will have images of Boonah of 135 years ago to give some historical flavour.
